Ladies and Gentlemen,

My name is Jonathan Gaffney, President and CEO of the National Aeronautic Association, and I am writing in endorsement of the work of Robert Bricker and Bronze Craft Foundry.

At just over 109 years old, the National Aeronautic Association is one of the oldest national aviation organizations in the world. Established in 1905, we have the great honor of administrating some of the world's most historic and prestigious aviation awards – and we are proud of the work Mr. Bricker has done to support this responsibility. For over fifteen years he has custom cast into bronze approximately 500 “miniature” Robert J. Trophies – the oldest and most important aviation trophy on the planet. These trophies are awarded to recipients and are absolutely beautiful in their craftsmanship and consistency. As an artisan, he is magnificent.

I strongly recommend him for fulfilling your custom bronze needs.

Sincerely,

A handwritten signature in black ink, appearing to be "JG", written in a cursive style.
